Research Proposals Received by CHF

Last month, The Children's Heart Foundation received **51 research grant proposals!** The graphic below shows the amount requested for 1st year funding, 2nd year funding, and the grand total of funding requested:

The 51 proposals submitted to CHF request over \$8 million in funding. Last year, CHF was able to fund nearly \$1.1 million of CHD research thanks to our donors, volunteers, and sponsors! However, each year, promising CHD research goes unfunded. You have the power to change that! The amount of research CHF is able to fund is based on moneys raised throughout the year. Spring Congenital Heart Walk Season Ends

This spring, 17 [Congenital Heart Walks](#) took place across the country and thousands of people came out to honor and remember their loved ones with CHD and help spread awareness. So far, the Congenital Heart Walks have already raised **over \$1 million** this year!

The Congenital Heart Walk is a joint effort between The Children's Heart Foundation and the Adult Congenital Heart Association. Funds raised by the walks are split 50/50 between the two organizations.

The fall Congenital Heart Walk season begins on August 28th in St. Louis, Missouri. To find a walk near you, visit the [website](#). Don't see a walk in your area? Then participate in a Virtual Congenital Heart Walk! Learn more [here](#).

Thank you to everyone who has volunteered, donated, or walked at a walk so far this year. Your support helps The Children's Heart Foundation fund the most promising research to advance the diagnosis, treatment, and prevention of CHDs.
