Pizza With a Purpose: #CPK4CHF!

California Pizza Kitchen (CPK) is once again hosting a fundraiser to support The Children's Heart Foundation! On **Thursday, May 11th, 20% of all sales** from customers who mention the fundraiser at participating locations will be donated to CHF!

Last year, Jenny Shrensker organized a nation-wide CPK fundraiser benefiting CHF in honor of Joy Gross and her family. Joy is Jenny's best friend and the Vice President of the CHF Colorado Chapter. Joy has two daughters (pictured below), both of whom were born with Congenital Heart Defects. Last year, 20 CPK restaurants participated in the fundraiser, which raised over \$2,270 for CHF.

This year, **48 CPK restaurants** are participating in the fundraiser! On May 11th, visit any of the participating locations, with the flyer for that location (either printed or on your phone), and 20% of dine-in, take-out, delivery, and catering sales will be donated to The Children's Heart Foundation. Rather than eating elsewhere on May 11th, consider getting pizza from one of the participating CPK restaurants and help fund life-saving CHD research!

View the participating locations [here](#). To download the "all locations" flyer, [click here](#).

Additionally, for those of you who are not near one of these locations, you can participate in an online gift card fundraiser. 10% of all gift card sales made between April 27th and May 25th will be donated. More information [here](#).
