

Congenital
Heart Walk 

hope for every heartbeat

Unite with heart
families.

Walk for CHD
research.

Give hope to
every heartbeat.

Join The Children's Heart Foundation in funding critical congenital heart defect research. As the most common birth defect in the United States, CHDs affect 1 in 110 babies born each year. Every step of our inspiring one-mile walk helps advance life-saving research and transforms young lives through groundbreaking discoveries.
