

Walk with The Children's Heart Foundation and join in funding critical congenital heart defect research.

As the most common birth defect in the United States, CHDs affect 1 in 100 babies born each year. Every step of our inspiring one-mile walk helps advance life-saving research and transforms young lives through groundbreaking discoveries.

Together, we keep hope in motion.

CLEVELAND Let's Walk.

September 12

Wade Oval – Cleveland, OH

Registration 8:30 AM

Walk 10:30 AM
