

Congenital Heart Walk

chfwalk.org

Walk for One More Heartbeat.

This event will have fun activities, entertainment, research updates, and our family-friendly walk. Join us as we raise funds to help save and improve the lives of those living with congenital heart defects – America's most common birth defect. Together, we'll walk for one more heartbeat!

Dallas Congenital Heart Walk

September 9, 2023

LFrisco RoughRiders Stadium – Frisco, TX
