in Benefit of The Children's Heart Foundation

Registration

In Person and Virtual Participation Options

SCAN ME

\$50 adult
\$20 child

T shirts for early bird registration before 8/1!

Donations Also Accepted

Congenital Heart Defects (CHDs) are the most common birth defect, affecting nearly 1 in 110 babies in the U.S. and are the leading cause of birth defect-related deaths. The Children's Heart Foundation is the nation's leading organization solely dedicated to funding CHD research, and since 1996 has funded more than \$13 million to advance the most promising research for the diagnosis, treatment, and prevention of CHDs.
