Registration 8:00 AM | Walk 9:00 AM
Rock Creek Park, Washington, D.C.

Join us or donate by scanning our QR code

Unite with heart families.

Walk for CHD research.

Give hope to every heartbeat.

Join The Children's Heart Foundation in funding critical congenital heart defect research. As the most common birth defect in the United States, CHDs affect 1 in 110 babies born each year. Every step of our inspiring one-mile walk helps advance life-saving research and transforms young lives through groundbreaking discoveries.
